

**Activities Judges Sub-Group
Meeting held on April 23rd 2023**

Report to Obedience Liaison Council

- The group discussed the progress on the wording of a statement to be included on all schedules drawing the attention of all competitors to their responsibility for the behaviour of their dogs at all times whilst at a licensed event. The Activities Health and Welfare Sub-Group were to finalise the wording at their meeting on April 17th 2023 with the intention to issue a press release as soon as possible.
- The office were requested to remove the Standardised Stay Marking Sheet from the judges section of the Kennel Club Website as this is no longer relevant.
- The Accredited Judges Trainers for Obedience have requested the addition of the following sentence to the Judges Invitation letter (Regulation G.34.b.
After “.....you are qualified to judge in accordance with Obedience Regulation G.32 (insert) In addition you will familiarise yourself with the Kennel Club G Regulations which are current at the date of the judging appointment.”
As this will potentially affect all disciplines, the office will investigate before presenting the proposal to Activities Committee.
- At the request of the Accredited Judges Trainers for Obedience the office are exploring the possibility of placing download links to useful information on the judges section of the KC Website. Examples of the type of file to be used are specimen judging sheets and permitted turns summaries
