### The Royal Kennel Club announces King Charles as new Patron

The Kennel Club is privileged to announce that His Majesty the King will be its new Patron, continuing in the footsteps of Her Late Majesty Queen Elizabeth II who was Patron from 1952 until 2022.

The Kennel Club has been honoured with royal patronage since its inception in 1873, when the then Prince of Wales, Prince Edward, became its Patron. When Edward became King Edward VII in 1901, he began the tradition of the head of the monarchy taking on the role of Patron for The Kennel Club ever since.

Tony Allcock OBE, Kennel Club Chairman, commented: "We are delighted and most honoured that His Majesty the King will continue the tradition of royal support for The Kennel Club and help us in our mission in making a positive difference for dogs and their owners. As his mother before him, The King's passion and affection for dogs is clear for all to see and his support for our organisation's work is greatly appreciated."

Five dogs and one reserve will be selected from these heats and subsequently invited to the semi-finals on 5 October 2024, with the final being held at Crufts 2025.

The National Junior Handler of the Year final, organised by the Junior Handling Association, has been running since the 1970s and is one of the most hotly contested junior handling finals in the country with the semi-final heats have been taking place since December 2023 at group championship shows. The winners of which will take part in the final on 5 October with the winner going on to represent the UK at the Joe Cartledge Memorial International Junior Handling competition final at Crufts 2025.

Helen Kerfoot, Chief Canine Health, Events and Activities Officer, said: "We are delighted to be able to continue to

host these two fantastic events – both of which are not only encouraging the young generation of owners, handlers and exhibitors but also to celebrate the top young dogs in the country.

"The Junior Warrant is one of the highest levels of success for young dogs and is a great indicator of an exciting future career. The standard of dogs competing is incredibly high and

we wish owners the best of luck in making it through to the semi-finals.

"The Junior Handler of the Year final is steeped in history with many former winners going on to become top judges, breeders, exhibitors, volunteers and workers in the dog world. It's important to

display the talent, enthusiasm and dedication of these young handlers in this prestigious junior handling final, of which all handlers want to win!"

The Young Kennel Club (YKC) has announced the winners of its annual Artist of the Year competition, with a young dog lover from Witham, Essex scooping the top prize.

The popular art competition invited YKC members to express their creativity and showcase their dog artistry skills, with all entries required to feature a dog and fit the theme: "Bright and Bold."

The creativity and originality of all the entries impressed the judges, but the overall winner was named as Bonnie Lloyd, aged eight, with her image, titled 'Forest', which depicts Bonnie's dog Forest who sadly passed away a few months ago.

Speaking of her win Bonnie said: "I feel so happy and excited to have won first place in YKC Artist of the Year!"

"Forest was the best boy and always loved a hug. The rainbow of colours represent how happy he made me feel

and the flowers are for joy."

Second place was won by 14-year-old Isabelle Wakefield, from Harlow, Essex, for her image "Splatter of Colour", which portrays a dog enjoying a colourful paddle, and is based on the adventurous times her dog, Ezra, has when in water.

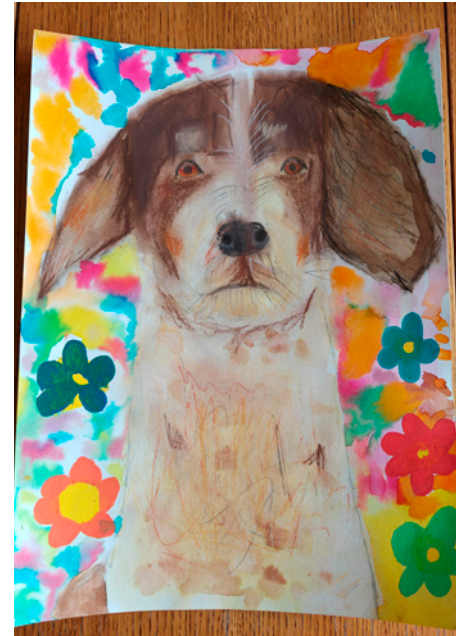

Speaking of her achievement Isabelle said: "I'm really happy to have achieved 2nd place after lots of effort being put into my painting.

It really has shown that dedication has paid off."

Helen Kerfoot, spokesperson

for the Young Kennel Club added:

"Congratulations to Bonnie on her well-deserved win. We were so impressed with her artwork, which not only met the brief perfectly, but is a beautiful tribute to Forest.

"We would like to also congratulate Isabelle on her vibrant artwork which really demonstrated her artistic talent. The standard was incredibly high this year and we are so proud to have such creative young members."

### The Kennel Club ends weighing of Miniature Dachshunds at shows

**The Kennel Club has announced a change to its policies regarding the weighing of Miniature Dachshunds at Kennel Club-licensed events. Effective 1 July 2024, the weighing of Miniature Dachshunds will no longer be permitted at any shows.**

The decision comes as part of The Kennel Club's commitment to dog health and welfare, prompted by concerns regarding perceptions of the weighing process and its potential impact on the health and well-being of the breed.

Since 2007, regulations had been in place allowing societies and judges to

weigh Miniature Dachshunds as long as the intention was announced in the show schedule. The Kennel Club chose at that time to stop weighing Dachshunds at its own show, Crufts, but allowed other shows to continue the practice. However, ongoing public scrutiny of dog showing and concerns over the health and welfare implications of weighing the breed have led to the decision to remove the practice entirely.

To reflect this decision, amendments

have been made to several regulations to mandate that no shows will weigh

Miniature Dachshunds from 1 July 2024 onwards. For schedules already published for shows after this date, clubs will be required to notify exhibitors that weighing will no longer take place.

This move by The Kennel Club aligns with its broader health and welfare standards and represents an effort to protect the health and welfare of Miniature Dachshunds at shows.

# Political canine candidate Heidi is crowned Holyrood Dog of the Year

**H**eidi, a Biewer Terrier, has been crowned winner of the prestigious Holyrood Dog of the Year competition.

Heidi, who entered the event with MSP Marie McNair, Scottish National Party MSP for Clydebank and Milngavie, impressed the judges with her loveable character as well as her strong bond with MSP Marie McNair.

The sixth Holyrood Dog of the Year competition, organised by The Kennel Club and Dogs Trust, took place on April 29 in the Scottish Parliament Member's Garden, Edinburgh. Heidi showed dogged determination as she battled it out to defeat eight other 'paw-litical' opponents to win the coveted title of Holyrood Dog of the Year, arguably the most sought-after accolade in Scottish politics.

Winning MSP, Marie McNair said of their winning moment: "Absolutely shocked to win today, it's really, really great!"

"Heidi is owned by one of my staffers, so I'm really pleased for her owner as well!"

This year's competition was all about celebrating the unique bond between humans and their canine companions and the positive impact that dog ownership can bring into our lives. The event encourages an open dialogue on dog welfare issues, as well as providing an opportunity for MSPs to meet with experts to discuss all aspects of the canine world.

The judging panel – Bill Lambert, Health, Welfare and Breeder Services Executive at The Kennel Club; Owen Sharp, Dogs Trust Chief Executive; and David Torrance MSP, 2023 winner of Holyrood Dog of the Year - spent the morning with dogs from different political persuasions and ambitions.

Commenting on the reason Heidi is selected as the 2024 Holyrood Dog

of the Year, judge Bill Lambert said: "Congratulations to Heidi and Marie for being crowned the sixth winners of Holyrood Dog of the Year! It was a well-deserved win and the bond between the pair was clear to see today.

"There was strong competition from all the competing MSPs and their dogs and we'd like to thank all those who took part.

Holyrood Dog of the Year is a fantastic way to raise awareness of the issues currently affecting the nation's dogs."

Owen Sharp added:

"It's always a pleasure to visit Edinburgh to witness the wonderful bonds MSPs have with their canine companions and the instant connections that are forged with MSPs who enter with one of our fantastic rescue dogs.

"Dogs are devoted members of the family, who shower us with unconditional love, joy and laughter, and Holyrood Dog of the Year is all about celebrating these special relationships. Congratulations to

Heidi and Marie who won today due to their unique bond which was evident for all to see."

Leading the opposition in second place was Alfie, a Hungarian Vizsla, owned by Sue Webber, Scottish Conservative and Unionist Party MSP for Central Scotland, while third place was awarded to Bramble, a Cockapoo, owned by Alex Cole-Hamilton, Scottish Liberal Democrats MSP for Edinburgh Western.

Prior to the event, MSPs entering the competition campaigned hard, canvassing for votes from the public via an online vote before meeting the expert judges to share their dog's heroic deeds and acts of devotion. Winner of the 'pawblic' vote was announced as Oscar, a Cockapoo, owned by Shirley-Anne Somerville, Scottish National Party MSP for Dunfermline.

Shirley-Anne MSP, winner of the public vote said of their win: "Oscar has been such a brilliant addition to the family since we got him just after lockdown, so to have him recognised by the public is just fantastic!"

## The Kennel Club announces first Senior Agility Team GB

The Kennel Club has announced its support of the first, and recently-selected, Senior Agility Team GB set to compete at the Senior Agility Open World Championships, taking place from 18 to 21 July 2024 in Opglabbeek, Belgium.

The successful handlers were selected after a try-out event held on 28 April at Dog Sports Derby, team sponsor, which was open to handlers aged 55 and over.

Team Manager Jackie Gardner commented: "I would like to thank everyone who attended the Team GB Senior Open Agility World Championship try-out day. Everyone made the day extremely enjoyable and set such a high standard of competition. We had a tough job selecting the team, but Paul Sensky, Susannah Chalmers and myself have all come to an agreement and we feel that we have a very good team and are so excited for the event in Belgium.

"Partnerships were firstly selected on whether they had the skill sets required and the fantastic courses set by our judge Tom Flynn really tested those skills. We then looked at whether they could meet the minutes per second set and how they manage only having a limited time course walking."

Teams have been selected across dog height categories: small, medium, intermediate, and large; and across two different age categories, 55-65 and 66+.

The Kennel Club congratulates all the handlers who have been selected to represent the first cohort of Senior Agility Team GB this year. In addition to being supported by The Kennel Club, the team is also kindly supported by Dog Sports Derby, Galican UK, Agility Plaza, Norton Rosettes, Paws Trading and Crystal Vision.

# Motivational mates:

## Three-quarters of owners agree dog walks boost mood

The Kennel Club released research ahead of Mental Health Awareness Week that took place in May that shows positive impact dogs have on both mental and physical health.

Three-quarters of dog owners say that walking their dog improves their mood and well-being. Older generations see the most significant benefits, with more than four in five crediting their dogs with keeping them active.

Two-thirds of owners also credit their dog for improved fitness and for becoming more active.

Research from The Kennel Club released ahead of Mental Health Awareness Week (13-19 May) has revealed the positive impact that dogs have on their owners' wellbeing, not only through providing a source of comfort, but also by keeping them active and giving them a routine.

This year's Mental Health Awareness Week is focusing on the importance of moving more for our mental health, and this research demonstrates how dog ownership can play an integral part in that, with more than three-quarters (76%) of owners agreeing that walking their dog improves their mood and well-being.

Furthermore, while the positive impact of dog companionship on both mental and physical health were felt across all age groups, older age groups were the most impacted, with four in five (82%) of those aged 45-54, and 80% of those over 55, claiming that their dog helps their mental health by keeping them active. Similarly, two thirds (66%) of all owners agree their dog helps them become fitter and healthier, while 65% say they have become more active since owning a dog.

And it's not just the physical benefits of dog walks that owners credit with improving their mental health

– three-quarters (73%) acknowledge that their dog helps their mental health by giving them a routine.

Emma Bryden, from Ayrshire, knows first-hand how motivational and beneficial dogs can be for providing an active routine, and how this can positively impact mental health. She credits her dogs Shahla and Lana, for being by her side through significant life events, including depression and an autism diagnosis, and her relationship with her dog has even seen her carve out a career as an agility trainer.

Talking of how her dogs help her, Emma said: "My dogs obviously keep me active with agility and daily walks but they've also helped me to come off antidepressant medication for the first time in over ten years. There's no way I would have been able to do that without keeping physically active through agility and spending time with them.

"There has been so many times when agility has been the only highlight of my life and spending time in a friendly and fun environment has made all the difference to keep going."

Beyond exercise, dogs prove to be a tonic for all aspects of our wellbeing:

Almost eight in ten (77%) owners say their dog provides unconditional love and comfort

Three-quarters (73%) find that their dog helps to relieve feelings of loneliness

And 72 per cent agree their dog helps to relieve feelings of anxiety.

Bill Lambert, spokesperson for The Kennel Club said: "While we know how invaluable the companionship provided by our four-legged friends is, this research shows just how much dogs can enrich our lives, not only through

providing unconditional love and solace through tough times, but also through keeping us active, which in turn provides a wealth of benefits for our mental health.

"There are plenty of opportunities to keep moving with our canine companions, which isn't limited to just regular daily walks. From the fast-paced agility, to learning a heelwork to music routine, there are different activities to suit all ages and abilities."

As part of Mental Health Awareness Week, The Kennel Club celebrated the positive effect that dogs can have on our mental well-being. More information and useful resources can be found by visiting [thekennelclub.org.uk/mentalhealth](https://www.thekennelclub.org.uk/mentalhealth).

# The Kennel Club's forthcoming Annual General Meeting (AGM) and Special General Meeting (SGM) - some important facts for Members

The Kennel Club will be holding its AGM on 11 June 2024, to be immediately followed by an SGM, which has been scheduled to present special resolutions to amend the Kennel Club Articles of Association.

Since 2021, The Kennel Club has been undergoing significant review to ensure it remains relevant and resilient for the future, and continue in its mission to make a positive difference to dogs and their owners.

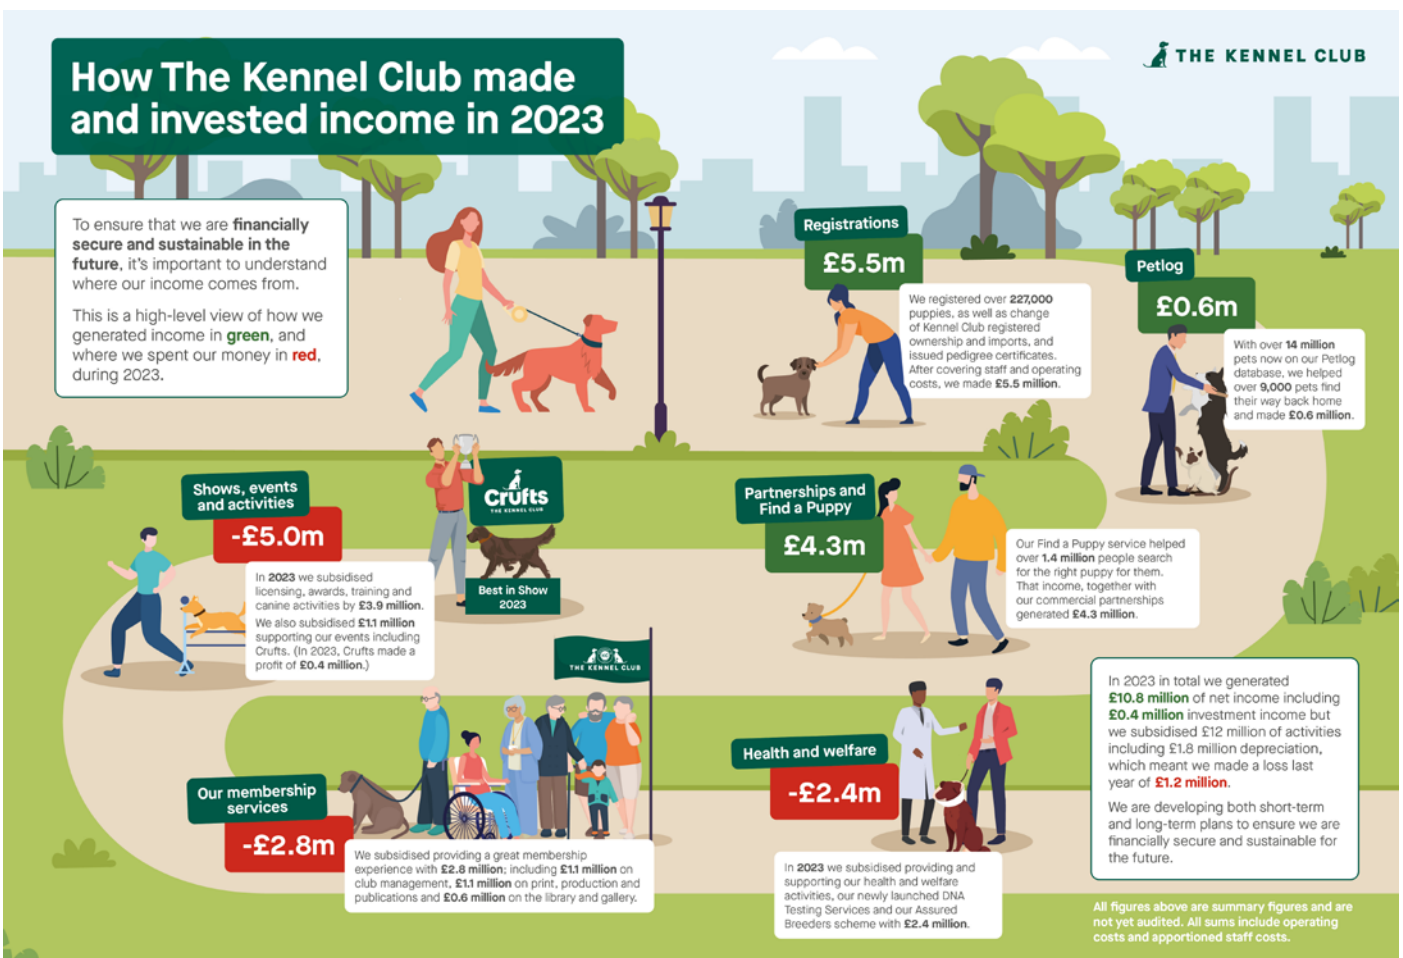

However, as with many other organisations at this time, The Kennel Club has experienced two difficult financial years, exacerbated by rising costs. An infographic, which some readers will be

familiar with, illustrates the demands upon Kennel Club financial resources.

The Kennel Club revenue streams have not kept pace with inflation sufficiently, particularly with fixed operating costs such as licences, utilities, depreciation and salaries, all of which have been significantly increased by inflation. To counteract this, The Kennel Club has diligently and proactively driven forward initiatives to mitigate against

these increasing costs. These measures have included freezing staff salaries for 2024, renegotiating key partnership and sponsorship deals to maximise revenue, and adapting property use at Clarges Street and Aylesbury. However, The Kennel Club must look towards a sustainable programme of growth – cutting costs alone is not going to reverse this trend.

### The Kennel Club's forthcoming Annual General Meeting (AGM) and Special General Meeting (SGM) – some important facts for Members - continued

Continued from previous page

Mark Beazley, Kennel Club Chief Executive, explains some of the mitigations now needed to safeguard and grow the organisation: "The Kennel Club as a whole, from its staff and Directors to its Members, need to work together for the future of the Club. We all share the desire to do more, but we need everyone's support to enable The Kennel Club to operate in a way that is responsive and efficient, and to ensure that it can grow in the future. One of our most important and necessary asks at the AGM is for an increase in registration prices. Having the Members' support for this is essential, to further stabilise and improve The Kennel Club's financial resilience in the short term and to support those areas of work, which currently do not break-even or generate a profit.

"Another area that we have needed to look at is that of the KC membership fees. Membership subscriptions have largely remained unchanged for 30 years and are no longer reflective of the costs associated with fulfilling current membership benefits. We are therefore asking our membership to agree to

increasing subscriptions while continuing to offer excellent value for money.

"Many readers will be aware that we were greatly honoured last April to receive the Royal Prefix. We would like to ensure this is now reflected in our name going forward and within our brand. We are seeking Members' approval (as a special resolution) before we apply to register the new company name, The

Royal Kennel Club Limited, at Companies House, so that we can then use the new name across the relevant company documents.

It is of course a reality that The Kennel Club is competing for relevance in a busy, competitive and ever-evolving landscape, which is a challenge for the growth potential for The Kennel

Club. We will need to work hard to improve our relevance and impact to help ensure greater awareness by a wider audience, bringing with it greater financial return for The Kennel Club.

As a result, we plan to deliver a gradual transition to the proposed new title of 'The Royal Kennel Club', with a commitment to drive significant positive impact and increased growth for The Kennel Club – improving financial sustainability so we can be in the best

position to enrich the lives of dogs and their owners."

Kennel Club Chairman Tony Allcock OBE added: "We are in an exciting but challenging period, especially within the current economic climate. We are facing a crucial moment in time and are on a journey where we need to enable our Club to grow. This year our Members are being asked to vote on several issues that will help shape The Kennel Club's future direction.

Kennel Club Members, with their unmatched experience and know-how and ultimately as dog lovers who have already made a significant contribution to the world of dogs are vital and pivotal to these efforts. We hope with the support of the membership and by working together we can help The Kennel Club grow, improve our financial situation and, together, make a positive difference for dogs and their owners."

Due to the significant AGM agenda, two online sessions for Members have been held recently, to provide the opportunity for any questions to be raised with Directors and The Kennel Club Executive team about the content of the meeting.

**For any members who still have questions to ask before they cast their votes ahead of or at the AGM/SGM, please email: [kc.membership@thekennelclub.org.uk](mailto:kc.membership@thekennelclub.org.uk)**
