Jannine Edgar appointed as Kennel Club Chief Executive

In February, the Board formally appointed Jannine Edgar as the Chief Executive of The Kennel Club. Tony Allcock OBE, Kennel Club Chairman said: "Over the past six months, during her tenure as Interim Chief Executive, I have been particularly impressed not only by her strategic foresight, but also by her ability to navigate the significant challenges we face. Her resilience, passion, and drive, coupled with a deep-rooted commitment to her team, set her apart as an exceptional leader. As we continue our journey of transformation, strong and visionary leadership is essential. With Jannine's extensive experience in delivering meaningful change on a global scale—alongside her background as CFO and COO—she is exceptionally well-equipped to lead The Kennel Club into the future. We look forward to working with Jannine as she takes up her role, and we have every confidence in her ability to drive the progress and evolution that our organisation needs. In health matters, we invite Ellen Wheeler of the Mobile BAER Screening Clinic and Justine Sweet MSc CF, Head of Audiology at Kingston and Richmond NHS Foundation to discuss the basic principles and the relevance of hearing screening in breed-specific health schemes for dog breeders today.

Our breed of the month is the smallest of the hunt, point and retrieve breeds, the intelligent Brittany. We review its origins reputed to have become established in Callac, Côte d'Amour, in the early 1900s. Its success in the show ring and field due to there only being one type and by having knowledgeable breeders maintaining

its dual-purpose aspect. Kathy Moores highlights important points to remember when judging the breed, particularly 'Maximum quality in the minimum volume', members of the Brittany Club of Great Britain share their personal

stories on other activities they

do with their Brittany, the annual event, Le Weekend, that showcases the versatility and talents of the Brittany breed and a favourite dog walk by one Brittany devotee.

The Brittany Club of Great Britain Rescue & Rehoming Co-ordinator

explains why the number

of UK Brittany's needing to be rehomed is reassuringly small and the Breed Health Co-ordinator clarifies why the breed in the UK is extremely healthy. We are delighted to present one breed enthusiast's selection of artwork from their personal collection, and six judges choose their three favourite Brittany's that they have judged in the show ring in the Judges' Choice.

Chart-dropping: HMV dog hits record low

The Smooth Fox Terrier, a historic British breed, and known to many as the iconic HMV mascot is facing an uncertain future after recording their lowest annual puppy births since records began.

The small Terrier breed, which was in the top ten most popular breeds a century ago, and registering close to 3,000 puppies a year at its peak, has, in recent years, been classed as a vulnerable native breed by The Kennel Club, owing to their low numbers, with just 45 puppies born in 2024 - the lowest ever number recorded for the breed.

A number of additional iconic British breeds have also had a worrying start to the year, with the Airedale Terrier added to the 'At Watch' list for the first time - breeds with between 300 and 450 annual puppy births - while both the Yorkshire Terrier and Shetland Sheepdog have recorded their lowest numbers since 1944 and 1946, respectively. The Scottish Terrier, which was added to The Kennel Club's 'At Watch' list last year, has fallen further, and last year saw the breed's lowest ever annual

puppy births, with 387 puppies born.

There was good news, however, for other British breeds which saw a surge in popularity last year, including the Rough Collie and Cairn Terrier, both of which left the 'At Watch' list, recording more than 450 puppies in 2024, while two vulnerable breeds saw their numbers double, compared to 2023 - the Skye Terrier, most recognisable as Dougal from the Magic Roundabout, increased from 36 puppies to 71 puppies, and the Otterhound, which saw their numbers soar from 18 puppies in 2023 to 42 in 2024.

Despite their dwindling numbers, there were 52 Smooth Fox Terriers competing at Crufts 2025 last month and judge Dr Ian Gabriel awarded Femme Fatale Da Quinta Do Pasto owned by Dr N Pereira Best of Breed.

Three breeds given championship status

The Bolognese, Coton De Tulear and Japanese Akita Inu

At its meeting on 11th November 2024, The Kennel Club Board agreed to allocate championship status to three breeds from 2026 - the Bolognese, Coton de Tulear and the Japanese Akita Inu.

The following shows have been allocated Challenge Certificates (CCs) from 2026:

BOLOGNESE
Crufts, United Kingdom
Toydog Society and British Bolognese Club.

COTON DE TULEAR
Crufts, United Kingdom
Toydog Society and Coton de Tulear Club of the United Kingdom.

JAPANESE AKITA INU
Crufts, British Utility Breeds Association and Japanese Akita Inu Club.

The breed clubs will be asked to hold their championship show at least one month apart from Crufts and the relevant group show if possible, to ensure as wide a spread of CCs throughout the year as possible. The breed club championship show must not be held before Crufts in 2026.

In 2021, The Kennel Club introduced a phased and transparent system for the elevating of some non-CC breeds with separate classification to championship status. This begins with an annual allocation of three sets of CCs and will progress, if entry figures warrant, to seven sets and eventually, under stage 1 of the new CC allocation model, 13 sets.

The criteria used to assess if a breed should be considered for an initial three sets of CCs include:

- To have a minimum of 12 approved judges (JEP Level 4)
- An average entry of ten dogs over a rolling three-year period at all-breed championship shows and relevant group championship shows.

Jannine Edgar, Kennel Club Chief Executive, said: "We are delighted to welcome the Coton de Tulear, Bolognese and Japanese Akita Inu into The Kennel Club family of breeds with championship status and look forward to seeing the first CCs awarded at Crufts 2026, where these breeds are bound to generate a lot of interest."

Polish Hunting Dog Interim Breed Standard published

The Kennel Club Interim Breed Standard for the Polish Hunting Dog (Imp) has been published on 1 April 2025. The breed will be eligible for exhibition in Imported Breed Register classes from

this date. The standard is available on the Kennel Club website here.

The breed has been classified in the Hound Group on the Imported Breed Register since April 2024.

KC File for April

AMENDMENTS TO BREED STANDARDS

At its recent meeting the Board approved the following amendment:

Chow Chow

EYES Dark, oval shaped, medium size, clean **and free from entropion. In blues and fawns, lighter colours permissible in keeping with coat colour.**
(Amendments in bold)

The Kennel Club has been working on a major project to introduce standardised terminology across all of the breed standards, to ensure that they are used and interpreted consistently by judges, exhibitors and breeders.

The review came about, initially, as a result of feedback from those breed clubs which were consulted by the former Non-Breed Standard Colours Working Party. As a result, in some cases, new wording is proposed to be added to the colour clauses of breed standards.

The introduction of standardised terminology has also led to a wider review of breed standards and further amendments across these.

KENNEL CLUB RULE A11

**Disciplinary Committee
7 January 2025
Mrs Sue Tranter**

The Committee reviewed the complaint brought against Mrs Sue Tranter namely that she behaved discreditably or prejudicially to the interests of the canine world in posting denigrating and undermining remarks on social media directed towards an individual breed show judge and upheld the complaint.

The Committee impose the following penalties:

1. To warn her as to her future conduct [A11 j (1)]
2. To censure her [A11 j (2)]
3. To disqualify her from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the Board shall have the power to increase the period of disqualification [A11 j (4)]
5. To disqualify her from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
6. To disqualify her from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]
7. To disqualify her from taking part in the management of any event licensed by the Club [A11 j (7)]
8. To disqualify her from judging at any event licensed by the Club [A11 j (8)]

The disqualifications are to be for a period of three (3) years from 7 January 2025.

The Committee, following the impositions of these penalties, would draw the attention of the Respondent to the effect of Rule A11 sub-section n.

It was noted that there had been no response from Mrs Tranter in terms of contrition, remorse or apology.

The social media posting (see annex) cast aspersions on a judging decision at Crufts and used allusions such as references to dementia in expressing an opinion about the award made. The posting and comments were generally indefensible.

There is a degree of personal responsibility in how everyone uses social media and the way in which people express a personal opinion.

The penalty imposed is intended to firmly reflect that the online comments were considered to be at an unacceptable level in the context of Kennel Club licensed events. The comments would be upsetting for any judge and in the context of a judging appointment at Crufts, particularly distressing.

The Disciplinary Committee is going to continue to drive home and ensure that social media engagement in the ambit of the Kennel Club licensed events must be, within the realms and bounds of reasonable and respectful activity. Those who engage and cross that boundary should expect censure and sanction at a grave and serious level. That was the principle applied in this case.

Personal opinion is absolutely respected. It is not difficult to express a disagreement in a respectful, constructive or a rationalised way. Where such opinion is expressed in ways which hurt, cause distress and are well beyond the bounds of respectful engagement – this committee and the RKC will bear down heavily and must give the appropriate sanction.

Annex

The Social Media posting
[The Judge] has his head so far up his own backside I don't know how he saw any dogs to judge them! He wanted to get a name for himself but he has for all the wrong reasons. How disrespectful to all the judges who qualified the 8 dogs he binned!

I would love to read his critique if his dementia allows it.

Giving a dog VHC and then binning it in the next class. It's OK you have don't have to click like for fear of repercussions but I know SO many of you are thinking the same thing!!!
